BUSINESS OVERVIEW

Offering an attractive opportunity to acquire an profitable business with over a decade of trading history, this tool and equipment hire business has built a solid reputation in the Great Karoo, Eastern Cape.

Ideally situated in a business park along a main road, the business benefits from good visibility and exposure within an established commercial environment, surrounded by well-known brands. The premises comprise approximately 108 m² of functional space, providing a practical base for its operations.

Supported by an established customer base, valuable local goodwill, and long-standing community relationships, the business provides a strong foundation for a new owner to build on its existing success and explore further growth opportunities.

Offering a comprehensive range of power tools, construction equipment, access equipment, scaffolding and landscaping tools, the business serves contractors, tradespeople, businesses and private customers across a variety of industries. Its diverse hire fleet provides customers with convenient, cost-effective access to equipment without the expense of ownership.

Operating as a going concern, the business offers an established platform with existing infrastructure, booking systems and supplier relationships. With technical personnel remaining in place and a structured handover and practical training provided, a new owner can build on the existing foundation and pursue further growth opportunities.

LOCATION & PREMISES

Ideally positioned in an established business park along a main road in the Great Karoo, Eastern Cape.

The business benefits from good visibility and exposure within a recognised commercial environment, surrounded by established businesses and well-known brands.

The premises comprise approximately 108 m² of functional space, providing a practical base for daily operations.
