About the Business:

Fast Growing Profitable Butcher Shop

Now available to acquire: a profitable, fast-growing butchery shop that has quickly established itself as a trusted meat supplier in a thriving Eastern Cape coastal town.

What sets this butcher shop apart is its simple, efficient operating model: all meat is purchased pre-

packed and labelled, with no cutting, processing, or manufacturing on site. This reduces operational complexity and lets the business focus on customer service, stock management, sales, and business development.

The butcher shop supplies a broad and loyal customer base, including local families, community shoppers, restaurants and hospitality businesses in the area. Its offering appeals to both value-conscious and premium customers, creating a balanced mix of everyday retail sales and recurring commercial trade.

Key Investment Highlights
* Profitable, fast-growing business with an established local reputation
* Streamlined model with no on-site meat processing
* Diverse customer base across retail, restaurant and hospitality markets
* Existing commercial supply and repeat business
* Well-equipped premises with refrigeration, display and operational equipment included
* Strong potential to expand commercial supply throughout the surrounding area
* Opportunity to grow the product range, customer base and local delivery service

This butcher shop is best suited to an energetic, hands-on owner who is ready to drive the business forward. The owner will play an active role in stock ordering, customer relationships, sales development and securing new commercial accounts. It is not a passive or lifestyle investment, but it offers a motivated entrepreneur a strong base from where he or she can build on solid foundations and accelerate an already promising business.

With an established customer base, proven demand, commercial relationships and the necessary equipment already in place, a new owner can step into a functioning operation with considerable room for further growth.
