BUSINESS REPORT

Date: **23rd November 2026**
Business Reference:**38538**

About the Business:

PRIME INVESTMENT OPPORTUNITY: Two Fully Equipped Commercial Gyms for Sale as a Single Business

An outstanding opportunity to purchase two established, fully operational commercial gyms located in Fairlands (Randburg) and Southdale, Johannesburg, offered together as a ready-to-operate business. With over 2,500 active paying members, the business benefits from an established membership base and

recurring monthly income. Both facilities are equipped with advanced access control, customised membership management software, automated enrolment and payment collection systems, and facial recognition technology. The sale includes quality commercial-grade strength and cardio equipment with a combined stated value exceeding R5 million, providing significant tangible assets without the substantial capital investment required to establish new facilities. Both gyms occupy strategic locations, with the Fairlands branch serving established residential and commercial communities, while the Southdale branch benefits from a busy commercial setting, strong visibility and access to a diverse customer base. The business is fully operational and ready for handover, with further growth opportunities through corporate wellness programmes, specialised fitness classes, supplement sales and enhanced digital marketing initiatives. Due to restructuring, the current owners are looking for a prompt sale, presenting an attractive opportunity for an investor or owner-operator to acquire both established businesses as a single investment.
