About the Business:

## Turnkey Sign-Making Business

---

This business is fun and exciting and you will never be bored. If you like solving problems and working with customers this turnkey sign-making business is for you. As this is an existing business, you will not start from scratch and will generate revenue from the first day. This turnkey sign-making business in the Cape Town area is waiting for a new owner to step in because the current owner wants to retire!

The business has been in operation for nearly 40 years and has established itself as an industry leader. They focus on quality creative designs that make an impact in the market.

The business has an established client base and focuses on supplying and installing large billboards and signboards for property and other developers. Other services include:

- Development boards;
- Office signage;
- Vehicle signage;
- Industrial pylons;
- Factory signage.

The key aspect of this opportunity is the untapped potential for growth through effective marketing. This will expand the client portfolio and enhance the profitability.

This turnkey sign-making business considers itself very versatile and has the skills to take on more challenging signage manufacturing jobs. They also have a well-equipped workshop and all the tools, machinery, and vehicles are included in the sale.

This is a great opportunity for someone who enjoys a fast-paced environment where the sky is the limit as to what you can achieve with the added satisfaction of helping others grow their businesses.

The assets are all in working condition.

Your signage's quality will contribute to your customers' success!

The price excludes stock of +-R 10 000.
