About the Business:

## Stand Up Paddle Boarding Startup Business

---

If you are looking for a business opportunity in the outdoors, then look no further! On offer is all the equipment to start a stand-up paddle-boarding business. You only need to find a spot to put down this business and you are ready to start operating.

The business is ideal for someone who loves the outdoors and even fitness enthusiasts. The business can offer a fun outdoor activity and it is great for team-building exercises and fun birthday adventures.

The start-up stand-up paddleboards are inflatable and easy to transport and set up anywhere in South Africa. The business can be run from anywhere where clients can absorb the beauty of picturesque greenery and captivating waterways. View the enchanting water creatures below, and the brilliantly colored bird life above, and feel the true pulse of nature at its best!

The business is operated with minimal overheads.

The equipment is in a transportable container and can be relocated anywhere in South Africa. The asking price does not include transport or relocation of the container.

This is a great opportunity for an existing business like a campsite next to a river, or a restaurant next to a lagoon or river, to expand existing operations or if you simply want to supplement existing income without a huge increase in overheads.
