About the Business:

Leather Product Manufacturer - Takealot Approved Seller

Ideal for Entrepreneurs and Expanding Businesses

Are you looking to start or expand a business in the leather or vegan leather product market? This is a

unique opportunity to acquire a well-established manufacturing business specializing in high-quality handbags, clutch bags, satchels, travel bags, laptop bags, sleeves, wallets, and other leather goods.

Key Features:

- Takealot Approved Seller: Our product range is approved by Takealot, and we have an active seller account.
- Compact Setup: The business can operate in a space as small as a home garage. All machines run on standard 220v power, making it perfect for a home workshop.

Leather Cutting Equipment:

- Custom-made hydraulic cutting press (quieter than industry-standard clicking presses)
- Approximately 135 cutting dies for various bag styles
- Board patterns for new styles
- Ready-cut leather product components (approx. 10 boxes or 1800 pieces)
- Semi-assembled bag bodies for immediate learning and production (approx. 145 units)

Finishing Equipment:

- Skiving machine
- Consew cylinder arm sewing machine
- Singer flat leather sewing machine
- Kingstar flat sewing machine (modified for leather)
- Foil printing/embossing table press
- New Tandy USA leather tools for handmade vegetable-tanned leather products
- Additional hand tools

Materials Included:

- Stock of zips, sliders, webbing, bindings, linings, backings, metal trimmings, sewing threads, and various leather finishing products (stains, dyes, top coatings)
- Large inventory of Nappa leather pieces for bag components, leather strips for woven designs, patchwork panels, and smaller items like wallets, purses, wristbands, and leather jewelry

Additional Benefits:

- All machines are in working order
- Seller has 20 years of experience in the leather manufacturing industry and can provide advice for scaling up the business

Location: Sandton, Johannesburg
