About the Business:

## Well-Established Plumbing Business

---

Are you ready to take the reins of a successful well-established plumbing business? Look no further! This well-established sole proprietorship plumbing business with a strong reputation is now on the market, and we're seeking a motivated buyer to continue its legacy.

This well-established plumbing business has been with the current owner since 2014 and has built a great reputation in the area. This business mainly focuses on plumbing and drainage work in the area.

The business has built strong relationships with residential and commercial clients. Repeat business and referrals are the backbone of success. The consistent revenue and healthy profit margins make this business an attractive investment.

Renowned as a blocked drain specialist, it has cemented its place as a trusted name in the industry.

Strategically located for maximum convenience, this business enjoys proximity to both its valued customers and essential suppliers.

This business has experienced consistent growth in profit year after year. Remarkably, this success has been achieved primarily through word of mouth, a testament to the unparalleled customer satisfaction and loyalty cultivated over time.

There are many opportunities for growth in this business. There's room to diversify into related services (e.g., building and renovating) or explore new markets.

A new owner can also enhance online marketing and social media to reach a broader audience or tap into commercial contracts to create a steady flow of income. The business is registered with organizations like the Plumbing Institute, the Western Cape Government, and the City of Cape Town.

The current owner is willing to provide training and support during the handover period.

Included in the price are the Nissan vehicle with branding, the company name, cell phone number, and email address.
