Business Report

Background and History

Founded in 2017, this well-established company has built a solid reputation for delivering exceptional drain cleaning services and innovative solutions that cater to a wide range of clients.

Products and Services

Our suite of services includes:

- **High-Pressure Drain Cleaning:** Utilizing state-of-the-art equipment to ensure optimal results.
- **CCTV Inspections:** Delivering meticulous inspections and detailed reports for both existing and new sewer and drain line developments, tailored for developers, contractors, and engineers.
- **Grease Trap Cleaning:** Helping businesses maintain compliance and cleanliness effortlessly.

This business comes equipped with a fully outfitted, purpose-built trailer that includes:

- **High-Pressure Jetting Machine** capable of 180 bar pressure, perfect for a variety of sewer line sizes.
- A dedicated **30-meter 1/5" hose** and nozzle for efficient cleaning of 50mm lines.
- **High-Pressure Jetting Gun** for thorough cleaning of gutters, roofs, and paving areas.
- Advanced **CCTV Cameras** tailored for pipe dimensions ranging from 110mm to 300mm, along with a specialized smaller camera for 50mm lines.
- A well-organized **Control Box** managing both camera systems for seamless operation.

Benefit from a built-in clientele that includes:

- **Plumbers:** Expanding their service offerings.

- **Construction Companies:** Reliable partners in development projects.
- **Local Mines:** Essential services for operational efficiency.
- **Shopping Centers:** Ensuring cleanliness and functionality.
- **Hotels and Lodges:** Offering premium maintenance services.
- **General Public:** Building a strong community presence.
