About the Business:

## **Lucrative Online Emigration Services Company**

---

This is a highly successful online professional online services-related business offering administrative services to individuals and companies internationally.

When applying for services or certification abroad, personal documentation is required and must often be

apostilled or authenticated.

The company provides the necessary tools needed to obtain documentation amongst others from home affairs and the South African Police Service on behalf of South Africans living abroad. Services include amongst others, the application for and delivery of the documentation to South Africans across the globe.

Services include assisting with obtaining new police clearances, birth, marriage, and death certificates, divorce decrees, and letters of no impediment. There are long-standing relationships in place with service providers worldwide.

This business presents an excellent opportunity for an investor to enjoy a healthy return on his investment without the stress normally related to a business of this stature. There is a very small contracted staff complement and this offers the buyer the opportunity to manage the business from anywhere globally

This is the ideal opportunity to expand an existing professional business as a value-added offering to its current portfolio of services. If ever there was a lifestyle business with an international footprint, this is it! Please feel free to contact me for further information
