Business Reference: **BFS10757**

About the Business:

Construction and Crushing Services

Are you ready to step into a profitable venture? Look no further! This opportunity offers well-established construction and crushing services with a solid track record and substantial growth potential. Businesses like this don't come up for sale often and serious buyers will have to jump at this opportunity!

This construction and crushing services specializes in crushing, earthworks, demolition, and civil construction work in the Western Cape. The business owns over 30 pieces of heavy equipment and trucks with a total value of R15m and +- R 5m outstanding debt on the equipment. Contracts of +-R55m for 2024 are already secured and there are more to come! The demand for mobile crushing and screening services has tripled over the last 11 years.

Equipment Included state-of-the-art crushers, screening plants, and more. Regular investments in cutting-edge machinery keep this business a major competitor in the market.

Quality service and professionalism have resulted in the incredible growth of the business over the last 11 years; there are only two of these businesses in the Western Cape. Management is committed to providing only the best service to clients and there are opportunities to grow this business substantially larger than what it is already.

Services extend to the following sectors:

- Heavy industrial;
- Light industrial;
- Residential.

Serious buyers will have to give proof of available funds.
