About the Business:

## Leading Plastic Packaging Manufacturing Business

---

An outstanding opportunity to acquire a well-established and highly profitable plastic packaging manufacturing company in a prime Gauteng business park. This rare offering includes an optional purchase of the property, which can reduce the total price.

Established in 2003, this enterprise has over two decades of industry experience and a strong reputation for providing high-quality plastic packaging solutions, including squeezable plastic tubes, jars, bottles, and caps.

#### Key Highlights

**Complete In-House Manufacturing:** The company operates a full in-house squeezable PE tube plant, giving it a significant competitive advantage with end-to-end extrusion.

**Comprehensive Services:** All tube printing is done on-site, ensuring strict quality control. The business also offers clients artwork design assistance.

**Strong Financial Performance:** The company has seen consistent growth (7.6% CAGR) and a significant 85% increase in Net Profit Before Tax in the last year. It boasts robust liquidity and efficient operations.

**Limited Competition:** With only four similar companies in South Africa, this business holds a strong and stable market position.

**Diversified Client Base:** The company serves a broad portfolio of prominent clients across the cosmetic, pharmaceutical, and industrial sectors.

#### Well-Maintained Facilities

The business is located in a prime business park with excellent highway access and a readily available labor pool. The well-maintained facilities include:

**Offices:** Five spacious offices, a reception area, a boardroom, and a client lounge with a bar.

**Factory:** A large, health-and-safety-compliant factory with multiple secure storage rooms, two loading bays, a dedicated dispatch area, and a toolroom for efficient maintenance.

#### Purchase Options

**Business and Assets as a Going Concern:** R52 million

**Business, Assets, and Property:** R62 million (includes the R10 million property)

This acquisition offers a compelling opportunity to enter or expand within a specialized, stable market segment with a well-regarded company that has strong manufacturing capabilities and a loyal client base.
