About the Business

Leading Plastic Packaging Manufacturing Business

Profitable Plastic Packaging Manufacturer – R54 Million (Including Assets & Property)

A rare opportunity to acquire a well-established plastic packaging manufacturing business in Gauteng.

Operating successfully for over 20 years, this company is known for its high-quality, customizable packaging solutions and a loyal, long-term client base across the cosmetics, pharmaceutical, and industrial sectors.

Highlights:

2025 Revenue: R19.3 million

EBITDA: R4.36 million

SDE: R8.89 million

Updated Valuation: R54 million (including land, building & equipment)

Assets: Plant, equipment, and vehicles valued at R16.9 million

Property: Valued at R10.5 million – optional to buy or lease

With only a handful of similar competitors in South Africa, this business holds a strong market position and barriers to entry that protect profitability.

A new print division is ready for launch, offering digital and transfer foil printing services — an easy way to increase turnover and margins.

This is a turnkey, high-margin operation ideal for strategic investors or established industry players looking to expand.
