Business Report

Background and History

The master franchise for this business has been in existence since 1990 with huge experience/knowledge in the field of waterproofing/painting/roofing, registered with FASA and complies to all the necessary legal requirements

Three franchise areas have now become available in the Western Cape ie Cape Town South, Cape Town West and Winelands

All the necessary training and ongoing support will be provided to a new franchise- in this respect, letters of endorsements are available from other franchisees

Full information and letters of introduction can be supplied to interested parties

Especially in the Western Cape with the weather of winter rains combined with storms and huge winds, there is a huge demand for waterproofing/painting/roof businesses

Products and Services

Waterproofing/painting/roofing

Training and Head Office Support

Full training and ongoing support will be provided by head office- letters from other franchisees can be supplied if required

Assets

See split of initial franchise fee regarding equipment/assets that will be supplied

Financials and Forecasts

Financial projections are available- these projections will not be based on assumptions but based on other existing similar franchise businesses
