Key Features

New & Ready for Action: This fully automated touchless car wash is still in its shipping crates and waiting for you to set it up!

Complete Package: Includes everything you need to operate—just bring your vision and a suitable 60m² site!

Advanced Technology:

Under Carriage Wash: Ensures every inch of the vehicle gets the care it deserves.

Overhead Washer with Motor and Arm: Precision cleaning from above for that spotless shine!

High Pressure Water Pump and Motor: Powerful cleaning capabilities for even the toughest grime.

Automated Mixing Station: Perfectly mixed prewash, foam, and liquid wax for a superior finish.

Air Compressor Included: Ensures efficient operation and reliability.

User-Friendly Operation: Comes equipped with software and a touch screen interface designed to streamline all your operations.

Powerful Drying Solution: 4 high-power fans ensure that each vehicle is dried efficiently and effectively.

Investment Opportunity: Available for only R750,000 plus VAT—an unbeatable deal for the potential this business holds!

Optional Water Recycling Plant: Enhance your eco-friendly approach with a 2000-liter per hour water recycling system for just R100,000 plus VAT.
