About the Business:

Lawnmower & Outdoor Equipment Sales and Repairs

This is a business that will always be in demand as every resident of a property needs to maintain his/her outside area, including complexes, office buildings, etc.

The owner has longer than 25 years serviced his clients with excellent service and affordable products, notwithstanding the fact that he only supplies well known registered branded products – this includes but is not limited to lawnmowers, brush cutters, chainsaws, generators, water pumps, pressure washers.

The business is designed to receive various streams of income annually, and therefore is not dependent on seasonal sales.

It has over years built up a strong client database, one of the reasons is a well- trained/experienced/loyal staff who always keeps the needs of the clients in mind when giving advice.

The client base is not only the local areas, but as far as Worcester/Swellendam/Bredasdorp, etc.

The only reason for selling the business is that the owner wants to go on a well -deserved retirement.
