Strengths?

The Franchise is a leader in the car service industry. They offer competitive prices and excellent service to all of their clients. They are a recognised and trusted brand. Their enthusiastic head office specialists provide the support, guidance and advice franchisees require to run a successful business without stifling their entrepreneurial spirit. Ongoing support and training are provided. Power of group purchasing deals. Business analysis reports are provided annually.

Weaknesses?

No apparent weaknesses.

Opportunities?

To build a loyal and growing clientele within your franchise area to become their preferred service centre.
Grow your portfolio into many branches.
The Franchisee can focus solely on their business while head offices take care of the rest in terms of e.g. front office staff training, national marketing campaigns,CRM management etc.
Right to repair came into into effect on the 1st July 2021 which enables aftermarket workshops such as Franchisees to service and repair vehicles which are still under warrantee. This in turn will open the market extensively for new business.

Threats?

None perceived other than the franchisee not running his/her business effectively and according to franchisor specifications.

What is the reason for the sale?

Franchisor focusing on growing their footprint in the KZN region.
