Business Report

Background and History

Steel, Stainless Steel & Aluminium Business in Stilbaai

The business has been established for 27 years with the same owner. In the segments that it operates it is the dominant business in the area where it focusses on:

- Products for residential homes (Stilbaai is growing fast)
- Products for builders
- Products for businesses
- They sell wholesale to hardware shops
- They combine steel, aluminum and exotic wood to make furniture and they have other innovative products which they produce

They specialize in

- Normal Steel / Aluminum Manufacturing (excluding windows & doors)
- CNC Plasma & Unique design work
- Cutting & Bending
- Sand Blasting
- Powder Coating
- Balustrades & Stairs
- Canopies for bakkies (they have done in the past)
- A small “retail” shop to assist Builders

They can offer a complete service other than Galvanizing, which is sub-contracted for steel. They can do standard work, or they can manufacture something completely unique.

They have not really exploited the area of security – burglar bars & gates.

There are possibilities for volume production in several areas. The marketing effort needs to increase.

It is a solid business which should produce a good return on investment if it is in the right hands. Knowledge of steel works, aluminum and wood will be required by the buyer who also requires some design flare. They can of course recruit someone with such skills if it is treated purely as an investment or the buyer does not have all the above skills.

The staff consists of the owner and seven people. The building will be rented out for R20 000 per month.

The price is R4,5million plus VAT.

Interested parties should send an email to mjtomo@gmail.com. Figures will only be discussed after the signing of an NDA.

Only potential buyers who have the funds need show interest. There are no payment terms being offered and there is no portion of the business that is being sold. The buyer will buy 100% of the business.

The seller will assist the buyer for about 3 months after the successful sale.

The price excludes VAT.
