## Background and History

Location, location is the magic word and this fits in with this startup car wash- its located in a shopping centre in an A/B income area, to ascertain a profitable sustainable business. This car wash forms part of a national group which has been in existence for 18 years. The car wash has been constructed already and needs a franchisee to start operating immediately. The franchisor did all the necessary reserach to ensure a successful and sustainable business- thus the turnkey operation includes a washbay area, site office, safety equipment, stationary, pos system, branded clothing, also all stock/chemicals to start off with

## Products and Services

All equipment/stock etc is in place to start this branded car wash- the centre is frequently visited by locals and visitors and situated on the main road of the town in the southern suburbs

## Assets

A full asset list is available together with a full prospectus of the opportunity

## Employees

Will be appointed in conjunction with the franchisor who will assist with full training to a franchisee

## Financials and Forecasts

As this is a startup , no income statements are available but the basic monthly expenses will be the following-  
Rental R22,000 , Insurance R2500, Employees salaries R12500, Chemicals R3000

The income will vary on the area/type of car wash required (thus a basic car wash up to a full valet), but the franchisor will assist with projections

## Reason for Sale

New car wash to be established
