About the Business:

Pots and Planters Manufacturing

Looking for a rewarding investment opportunity? This established pots and planters manufacturing business in the Somerset West area is now available for sale.

The business manufactures high-quality fibre cement flowerpots and planters and offers various designs

and sizes.

With a strong reputation in the market and a loyal customer base, this business offers steady growth potential in the thriving garden and home decor industry.

Specializing in high-quality, handcrafted pots and planters, the business operates with an experienced team and all equipment needed for production.

The range includes a variety of products, from decorative indoor pots to large outdoor planters, catering to both retail and wholesale customers.

Key highlights:

- Established brand for more than 20 years with loyal customers.
- Strong supply chain to garden centres and nurseries.
- Competitive edge in design and quality.
- Potential for expansion in new markets
- Low overheads with a gross profit of 86%.

This is a turn-key business with great growth opportunities for an entrepreneur looking to enter the expanding home and garden market.

Don't miss out on this chance to own a reputable pots and planters manufacturing business with strong profit potential.

The asking price excludes VAT. The stock of ± R 80,000 is included in the asking price.
