The business has been successfully trading for nearly 4 years, with +/- 4000 followers on Facebook and Instagram, with a Google review score of 4,7

There is huge potential to increase the turnover of this business, and attract new clients by placing pamphlets in guest houses, having specials for nursery schools and primary schools, childrens parties etc

The shop is facing the main road in the seaside town and more advertising can be done on the beachfront to direct clients to this shop

Due to renovations/ changes to the building, the shops's turnover went down for a while, but now back on track with an increase of 50% of shop area

The biggest scope lies in franchising this concept throughout SA
