About the Business:

## **Vehicle Valet in Garden Route. Seller prepared to consider a deal that is beneficial to both parties**

---

Business has had a recent setback with the closure of a second-hand car dealership. However, Tavcor is setting up operations in town and it is anticipated that the turnover will increase substantially in the near future. The business offers a comprehensive valet service where seats are removed and deep clean of carpets, also normal valets, polishing and buffing, engine washes, windscreen chips, tar removal etc. Also

car wash facilities if requested. Being ideally situated in the town centre, they get much of their work from the car hire companies, car dealerships for pre-delivery valets, individual clients, and even the local taxis. An ideal business for a Husband and Wife team who enjoy the vehicle environment and want to work Mondays to Fridays but have the weekend free.
