Thriving Playschool and Aftercare with Property – Established and Growing!

Since 1999, this well-run playschool and aftercare centre in Port Elizabeth has consistently provided quality early childhood education and care, earning a strong reputation. The centre caters to children from

birth to Grade RR and holds approval to accommodate 59 learners. The current enrollment is 56, and expecting mothers are already booking spots in advance.

Located in a prime suburb, the school is easily accessible and highly convenient for local families.

A dedicated team runs the school with structured routines and a warm, nurturing environment. Parents trust the care their children receive here. A full-time chef prepares fresh meals daily, adding extra value for busy families.

All staff have completed first-aid training, and the school is registered with ECMR. It follows the ELDA and ECD CAPS curriculums.

The business meets all legal requirements to operate as a playschool and aftercare centre. The current owner manages the school without taking on any teaching duties, therefore no formal teaching qualification is required.

The sale includes the property, which is 1,083 square meters in size and valued at R1,395,000. This adds long-term value and security for the new owner.
