Business Report

Background and History

This photo booth business was founded out of a passion for **capturing unforgettable moments** and providing **fun, interactive entertainment** for people of all ages. Starting as a **small side hustle**, the business quickly grew into a **trusted brand** for **weddings, corporate events, birthdays, and private functions** across the region.

From day one, we focused on **delivering professional, high-quality service** with a personal touch — investing in **top-tier equipment, modern 360° booths, ring lights, professional backdrops, and customizable video overlays**. Our goal was simple: make every event more exciting, help people create lasting memories, and leave guests talking about their experience long after the event.

Thanks to **word-of-mouth referrals**, strong **social media presence**, and **repeat corporate clients**, we established a **consistent monthly income** while keeping operational costs low. The business runs on **efficient systems**, with **flexible part-time staff**, and **streamlined processes** making it easy to operate even for first-time business owners.
