Business Report

Fully describe the business's activities?

The company delivers **end-to-end solutions** across three primary verticals:

- **Apparel Manufacturing:** Corporate wear, industrial and protective clothing (PPE), uniforms, and lifestyle apparel. From design and sampling through to cut, make, and trim (CMT), C-Lect ensures quality, scalability, and customisation to meet diverse industry requirements.
- **Packaging Solutions:** Advanced product packaging, labelling, and container production including boxing, wrapping, and bottling. The packaging division supports industries from pharmaceuticals and cosmetics to FMCG and industrial supply, with a focus on durability, compliance, and brand differentiation.
- **Branding & Design:** Integrated corporate branding services, including embroidery, screen printing, digital transfers, and full-spectrum promotional branding. C-Lect provides businesses with cohesive brand visibility across apparel, packaging, and event-driven activations
- **Company Stage**
- **Early Growth Stage** – The business has proven operations, established infrastructure, and secured vendor licensing with large purchase orders in place. The company is currently establishing its **first expansion phase with a distribution appointment in the UAE**, positioning the brand to access new regional markets and extend its international reach
