About Resolute Education

Shaping Tomorrow's Innovators, Today.

Resolute Education is an international EdTech leader dedicated to equipping students with vital robotics and coding skills. We are CAPS-compliant and fully registered, proudly partnering with schools that use our trusted hardware, systems, curriculum, and IP to teach robotics as a core subject.

Our mission is simple, empower education, create opportunities, and drive digital transformation responsibly. At Resolute Education, every success story represents both personal growth and social impact—the hallmark of Profit with a Purpose.

The Business in a Box Concept

Start Your Own Robotics & Coding Coaching Business — Profit with a Purpose!

We're launching Business in a Box, an empowering opportunity for individuals to become certified coding and robotics coaches while running their own profitable, purpose-driven businesses.

Each Business in a Box includes everything you need to succeed:

- Cutting-edge hardware and software

- Ready-to-teach lesson plans and curriculum

- Comprehensive training and ongoing support

Work independently, inspire young minds, and earn while creating real community impact. Teach up to 16 students per class, leverage our marketing and business development support, and operate under the trusted Resolute Education brand.

This initiative isn't just about business—it's about job creation, empowerment, and education transformation across Africa. A true embodiment of Profit with a Purpose, Launch and Pricing

Expanding Across Africa – January 1, 2026!

Be part of a movement that blends entrepreneurship and social impact.

- Launch: January 1, 2026

- Regions: South Africa & Sub-Saharan Africa

- Investment: R100,000.00 (excluding VAT)

- Management: Simple credit-based system through our online platform

Your investment plants the seed for both financial success and lasting impact in your community.

Estimated Turnover

With our proven system and support, you can grow a thriving business while making STEM education accessible to more learners.

Projected turnover:

- Year 1: R160,000 – R200,000
- Year 2: R500,000 – R560,000
- Year 3: R800,000 – R1,000,000

This is a business where every learner you teach represents both a positive social outcome and a step toward financial independence—a genuine model of Profit with a Purpose.

What is the reason for the sale?

We're seeking entrepreneurs, educators, and tutors passionate about preparing children for a fast-paced digital world. With robotics and coding, you'll help students gain skills, confidence, and adaptability for the future—while building a flourishing business that delivers purpose-driven profit.

Every Box sold expands access to quality STEM education and creates job opportunities across Africa. That's real Profit with a Purpose.

Why is this a good business?

Our solution gives entrepreneurs and educators an affordable, impactful path to deliver robotics and coding education at scale.

Each package includes:

- Cost-effective robotic kits
- In-depth training programs
- Exclusive educational licenses with interactive coursework and cutting-edge software

It's a turnkey system designed for both impact and income, a business that transforms communities, changes lives, and proves that success can be both profitable and purposeful.

Because at Resolute Education, we believe in business that matters —" Profit with a Purpose"
