About the Business:

Successful Profitable Furniture Manufacturer

If you're looking to relocate to the Garden Route, Western Cape, South Africa and take an active role in a well-established, successful, profitable furniture manufacturing business, this opportunity is worth serious

consideration.

This furniture manufacturing business has been operating successfully for over 28 years and has built a strong national client base across both wholesale and retail markets. Known for its reliability and consistent quality, it is a respected name in the industry with solid, repeat business.

This is not a passive investment. It is ideally suited to a hands-on owner who wants to be involved in operations, lead a team, and continue building on an already proven foundation.

Key highlights:

- Established, profitable business with systems and processes in place
- Strong, reputable brand with a national footprint
- Diverse income streams across multiple market segments
- Experienced and knowledgeable team already in place
- New furniture range developed and tested in the market

The business is fully equipped and operational, allowing a new owner to step in and take control from day one. Included in the sale are production equipment valued at over R4.9 million as well as a fleet of vehicles worth approximately R2 million.

There is clear potential for further growth, which will require an owner who is present, engaged, and willing to drive the business forward.

The seller will remain involved for up to three months to ensure a proper handover and continuity.

The seller will also consider a 50/50 partnership with an actively working partner.

Asking price excludes VAT and stock of ± R3.5m.
