Business Report

Fully describe the business's activities?

This is a mostly a self-service business (no other food business in the area works this way) where only a small portion of the orders are prepared on demand, which is very time consuming, the biggest seller is self-service. Food is prepared beforehand, put out for sale and the customer selects, pays and leaves. quick turnaround.

They have a small but profitable menu so they don't have having hundreds of products that can expire.

The business is quite self-sufficient as it has its own backup power and water to keep things running when there is load shedding and water problems.

How does the business operate on a daily basis?

Business relies on the locals who frequently visit the business and who are repeat customers. The business has been on this premises for 30 years and is well known. The customers drive to us as far as Soweto , Krugersdorp , Roodepoort and even Carltonville to buy our Chicken due to our unique spices.

What Advertising/Marketing is carried out?

None whatsoever

What competition exists?

There are other fast-food places, but this business has its own recipe and no other chicken take-away has the same taste. The business model is also unique and will be discussed with serious buyers.

They are the only business left in town after 30 years and is currently one of the oldest take-away that exist as all others has closed down.

How could the profitability of the business be improved?

Longer hours as we keep to a 45-hour work week,
New products ie: chicken burgers, pies, sandwiches, it all depends on which market you plan on taking in next.
