About the Business:

Profitable vehicle trader package/ Vehicle trade business

Package price R20 000 (only 20 Packages available)

Capital needed for stock (Vehicle to re-sell for a profit) R70 000

Monthly R650 fee to have access to wholesale vehicles.

This highly profitable Vehicle trade business is now established for over 3 years and is easy to operate and can be run from home. Making your monthly expenses extremely low and can be operated from anywhere in S.A.

The entire business can be operated from the comfort of your home from your phone or laptop and at your own pace, making it great for an Extra income or Full time business.

With a startup capital from ONLY R70 000 you can't miss out on this amazing and easy to operate business with great profits.

Already established and with over 4000 dealers on our books nationwide from S.A biggest dealerships and franchises to purchase vehicles from at low dealer wholesale prices . We are offered over 500 vehicles daily at dealer wholesale prices.

Our vehicles we have available to us are not available to the public and the public cannot buy or view.

This makes it very unique and profitable.

With our full operations structure We managed to generate over R600 000 annually in Net profits for Mid 2024 / to mid 2025. (We have Financials to proof income)

With All marketing structures, trading and logistics systems already in place, this business is easy to operate and can be taken over without delays.

Due to the prices we pay for vehicles you can start with a low capital outlay from only R70 000 and still make profits on the vehicles available.

We are not selling the company, only the full business structure and suppliers logistics team and all our dealers, we will arrange for you to be part of our dealers network. You will need your own registered company,if you don't have one, we can assist you with registration of your own company.

Training is easy and can be done via email / WhatsApp or conference calls. No experience needed as we will supply all the structures on how to buy and sell.

With the vehicle trade being one of South Africa's largest industries, and so many buyers looking for good deals daily, competitors are not a problem and the fact that you can operate from home, saving you huge monthly expenses, this gives you an upper hand in the market as vehicles can be sold at lower prices compared to other competitors and still make high profits.

Expansion potential:

With the vehicle trade being one of S.A biggest industries, and the unique vehicles and large number of vehicles available to us at low dealer prices with a streamline of supply there is always room for growth.
