Business Report

How does the business operate on a daily basis?

The business provides tertiary education in Occupational Health & Safety as well as legally required Occupational Health & Safety training to companies and contractors. Besides education and training, the business also provides consulting services to ensure that companies and contractors are legally compliant and remain in good standing. The business is accredited with SETA and the Department of Labour as is legally required of a training organisation in South Africa.

What Advertising/Marketing is carried out?

The business is in a high traffic retail location in close proximity to vendors of complementary products. Consultants also drive awareness and traffic through direct marketing and connectivity training.

What competition exists?

There is one recognised competitor. However, a client has never been lost as a result of competitive activity.

How could the profitability of the business be improved?

Family owned business with drawings and benefits

Do any have management potential?

Yes

How involved is the Owner in running the business?

100%
